# FOR YOU

Take a look at all the great ways in which you can get involved with Reading Cloud!

### User-friendly Interface

Reading Cloud is easy to use with lots of helpful features.

### Hear from Authors

Watch virtual author visits with our author videos.

### Personalised Account\*

You can create an online profile and avatar to match your individual style!

### Access your School Library from Home

Search your library to find and reserve books, write or film book reviews and keep tabs on what you've borrowed and have on loan.

### Reading Lists

Tailored lists of books and resources especially for you. You can also create your own lists and bibliographies.

### Share your own Books with Friends\*

You can catalogue your own books and resources from home and lend them to your friends in "My Home Library".

### Book Recommendations

With the "Who Next?" functionality we'll recommend books you'll like based on your previous choices.

### Become a Reviewer

Write a book review and give a star rating; a great feature to develop your writing skills. You can even add video reviews!

### Read Whenever and Wherever with eBooks\*

Amazing titles covering lots of different topics that you can read on your smart phone, iPad or tablet.

### Get Blogging\*

You can write blogs about all the books that interest you.

### Recommended Websites

Take a look at thousands of approved curriculum relevant safe websites to help you with your school work.

### Get Social\*

Try social networking, add friends and chat safely online within the Reading Cloud community about your favourite books and authors.
